

# WHITE CEMENT

## CEM I 52.5R

### APPLICATION

Dragon Alfa White Cement is a quality assured cement with third party certification for architectural/visual concrete.

### DESCRIPTION

Dragon Alfa White Cement is a bright white cement suitable for use in a wide variety of white & light coloured concrete finishes.

### PACKAGING

Packed in 25kg multi layer paper bags, including a moisture resistant polythene membrane.

**63 x 25kg per pallet = 1.575 tonnes**

### STORAGE

Dragon Alfa White Cement must be stored in unopened bags, clear of the ground in cool, dry conditions.

### USAGE

The bright whiteness of Dragon Alfa White Cement makes it ideal for use in architectural concretes, decorative concrete products, mortars, render, tile grouts and terrazzo.

### QUALITY ASSURANCE

A quality assured cement type E.N 197-1 52.5 R with third party certification. The technical services of Dragon Alfa are available to all our customers.

### HEALTH AND SAFETY

Dragon Alfa White Cement is a cement based product and therefore (as with wet concrete or mortar) may cause irritation, dermatitis or alkali burns. Contact between cement powder and the skin in conjunction with body fluids may also cause irritation, dermatitis or alkali burns. There exists a serious risk of damage to the eyes - Always wear suitable protective clothing and eye wear. In case of contact with the eyes, rinse immediately with clean water and seek medical advice.

- **May cause an allergic reaction**
- **Keep out of reach of children**
